

PHILIPS SPEECHEXEC PRO v11 ACTIVATION

INTRODUCTION

With v11, SpeechExec Pro has moved to a user-based subscription-style licensing model in line with modern software applications.

When first launching SpeechExec, an activation method must be chosen from the following:

- **SpeechExec Pro subscription:** Add-on license for existing SpeechLive users
- **SpeechExec time-limited product key:** Traditional license key, now valid for 2 years
- **30-day trial license:** Use SpeechExec for 30 days for evaluation

Welcome to SpeechExec

Select your preferred licensing option.

☒ **SpeechExec Pro subscription**

This subscription includes the Philips SpeechLive cloud dictation solution with secure browser-based dictation access and smartphone dictation. NOTE: Your administrator must already have activated your SpeechExec Pro subscription in your SpeechLive account.

☐ **SpeechExec time-limited product key**

Select this option if you have received a product key for using SpeechExec in a local network only.

☐ **30-day trial license**

Select this option if you would like to get a free trial for using SpeechExec in a local network.

You have 0 day(s) of your trial period left.
